Voting Make Up of Washington County, Tennessee

Here's a brief overview:

Voting Districts and Representation

1. ****US Congress District 1****: This refers to the first congressional district in your state, which elects a representative to the U.S. House of Representatives.
2. ****State Senate District 3****: This is the third district for your state's senate, which elects a state senator.

3. ****State House District 7****: This is the seventh district for your state's house of representatives, which elects a state representative.
4. ****School District 2****: This refers to the second school district, which oversees local public schools and elects school board members.
5. ****City Ward 1****: This is the first ward in your city, which elects a city council member.
6. ****County District 10****: This is the tenth district in your county, which elects a county commissioner or other local officials.

Each of these districts has its own representatives and officials who are elected by the residents of that district.
